

Kevin Curran

President of Business Solutions at OnMyWay

As President of OnMyWay Business Solutions, Kevin is responsible for strategic partnerships, business development, revenue growth and overall marketing team management. OnMyWay Clients are able to Drive Revenue, Build Brand Trust, Increase Productivity, Limit Company Liability, Increase Customer Loyalty, Protect their Employees/Communities and Save Lives through Direct Social Impact.

Kevin has experience managing global teams and rapid-growth companies. His background is in developing early-stage companies into profitable brands with a digital strategy that is unique to each company using cutting edge tools like OnMyWay Business Solutions.

With over a decade of experience focused on digital and in-bound marketing methods, Kevin has consistently adapted to the ever-changing world of today's digital media climate. "OnMyWay is providing the perfect delivery method for "Direct-to-Consumer" marketing and the Sky's the limit for our Company, Communities and Customers alike."
