

Vikas Kumra

Chief Technology Officer at OnMyWay

Vikas is a proven technical leader and software development expert who has spent his career on the front lines of innovation in mobile tech, digital media, Web services, and SaaS. He has been involved in cutting edge technologies for over 15+ years and uses his skills in technology and communication to define success for teams. He is experienced in building high-performance teams that span geographies and deliver results that exceed expectations.

At OnMyWay, Vikas is responsible for leading the Product Development, Engineering and Support teams, as well as defining the strategy and technical vision for product delivery. He also has extensive knowledge in hands on digital transformation.

Vikas is a Computer Science graduate of Panjab University and also holds a Master's Degree in Information Technology from Panjab University.
